

A Move of God Is Coming - Ulverston - 29th August 2009

(In August 2009 we arranged a teaching day to hear what the Lord was now beginning to say. This is a prophetic message. Taken from notes made on the day, the following is by no means complete. In places words have been added to make sense of what was recorded on paper. Hopefully, however, these notes give an accurate account of what the Lord was saying. Within are very clear prophecies. The full import of just what the Lord was beginning to say, however, was going to come later bringing more clarity. But this was what God was saying to us in August 2009.)

A Move of God Is Coming

Great tribulation is coming but times of tribulation are already here - the wars, rumors of wars, famines and earthquakes of Matthew 24 are now being fulfilled. God needs those who have gone through fire. God needs to know our heart. There will be a remnant, the Church of Jesus Christ, who are filled with the Spirit. God is now preparing an end time people with an end time anointing. I want to tell you today **'this is the time'**.

Today I want to talk about the way corporately to the throne room of God and declare that the gates of hell will not prevail against the Church in what is coming. I want to show you the place you should be in, the way to it and what to do when you are there. A move of God is coming that is greater than the previous moves of God that we have experienced. There will be no big names, no white suited men taking your money, but as with Paul it will cost you everything.

The person of God - When you you have come into eternal life don't be content with just this. Many know that there is then the Holy Spirit who wants to equip us for ministry but there is a further stage. For those who are in Christ and filled with the Spirit there is a place where we can step into *knowing* the Father. He contains the will of what is to happen. It is His will that is to be done - 'Thy will be done'. No one knows the day or the hour except the Father. When you know the Father you will know the will of the Father. There are going to be raised up, His Church, to walk on stormy seas.

Eph.1:7 - We are redeemed but in verse 13 we also see that In Him we who have also trusted have been sealed with the Holy Spirit of promise. If we aren't we lack power in our life. Each stage in us achieving the fulness of God brings a qualification. In verse 15-17 after we have faith and a love for the saints, some of whom are easy to love and others aren't, we are ready for the Father to give us a spirit of faith and revelation in the knowledge of Him that the eyes of our understanding may be opened. But God doesn't just want the ones and twos to come into this place, as in history, but **now wants all His Church to know this reality**.

Eph.2:13 When we were far off we were brought near by the blood of Christ. This is like stage 1. Then, through Him (v.18) we have access in one Spirit, which can be likened to stage 2, to the Father which is stage 3. **For the first time in history God is going to move the whole Church corporately into what is represented by the Holy of Holies**. When you access this your life will never be the same again, just as when you were saved and baptized in the Spirit.

John 14:6 - Jesus said, 'I am the Way, the Truth and the Life, no one comes to the Father but through Me.' Jesus came to make a way to the Father. They are trying to change the law at this time to only allow us to say that He is 'a' way but there is no other way.

In verse 23 there is another qualification - 'If anyone loves Me' - to reach the Father

John 17:1-3 - 'This is eternal life, that they may know Thee and Jesus Christ whom Thou hast sent.' The things of God are spiritually discerned. We have to have it revealed for it is only by revelation. Something happens when you 'know' Him. You no longer doubt. We receive an anchor to our soul and despite the storms there is something irrevocable - the reality that greater is He who is in us than he that is in the world. We do not 'think' it but 'know' it when we find the Father. So in verse 20 onwards we become one with the Father. We discover the Father's will and it changes us.

In Matt.6:9-13 Jesus teaches us to pray; a prayer directed to the Father. We must always remember the cross and that we must go through this so we can go on the Father.

2.Cor.6:16-18 - The whole world is waiting for the manifestation of the sons of God so don't be content but come out and be separate.

1John 1:3 - Our fellowship is with the Father. It is He who abides in the teaching of Christ - it is he that has the Father and the Son. It is he who abides; no floating in and out.

John 4:24 It is once more the hour when the Father is seeking those who will worship Him in Spirit and in Truth. But no one knows the Father except those the Son will reveal Him to.

To Know The Father

A challenge to come to know the Father - In the Old Testament there was a sanctuary, and an order of service, tithings etc.. which were under the Old Covenant. This was the ordinance. But the old has gone and the new has come. In the Old Testament there was no bible but certain men knew God. But God knew they needed something written down. Moses saw God face to face because he was humble enough, the most humble man on the face of the earth, and under the Covenant God made through Moses sins were covered. But now we are not covered we are washed.

The instructions to build a tabernacle were a copy of what is in heaven. A copy that we are to enter in heaven which we can only enter through Jesus who is the only way because there is a veil that separates everyone from God.

There were three parts to the tabernacle. The tabernacle was made up of an outer court where those who were the people of God could enter. Then within the outer court is the Holy Place where the priests can enter but within the Holy Place is the Holiest Place where only the High Priest could enter once a year. It is a huge error to think that it is the veil that separates man from God. It separates the Holy Place from the Holy of Holies. When we are born again we come into the outer court but the Father desires that we move into the Holy Place where we find all that is typified by Pentecost but beyond is the Holy of Holies, the Holiest Place.

The High Priest took blood into the Holiest Place from a lamb without spot and blemish. The sin of the nation was put on a lamb and taken into the Holy of Holies and sprinkled in seven places and the Shekinah Glory would come into this Holiest Place.

So it is the veil doesn't separate unbelievers from God but believers from the Holy of Holies where the Father wants to reveal Himself to us. We need to come to the very heart of God and completeness - His fulness.

Christians are full of good ideas. Churches are in such a mess, stuck in their old arrangements with priests, hierarchies, etc.. In Ex.26:36 we see that a veil divided the Holy Place from the Holies of Holies. But this has been torn in two from the top to the bottom in Christ. We may be blessed that we have reached the Holy Place but in Christ the veil is done away and we can go further.

In Matt.27:50-54 we read that Jesus' blood was shed in seven places also - His hands and His feet, the crown of thorns, the stripes on His back and His side was pierced - and His body became the temple - and 'the' body became the temple.

When we enter into the Holy of Holies Satan has a problem. In verses 50 & 51 we see that Jesus yielded up His spirit and the veil was rent in two so we can now enter the Holiest Place.

Tribulation has begun and good is going to meet evil head on. - eye to eye - and you'll be either equipped or you will faint. The only thing that enables us to walk on stormy seas is that we are walking in this place with the Father. Soon you will be shocked when you turn the TV on at the events that are overtaking the world.

But the Church has a problem today. In 2 Cor.3:18 we read that Moses' face shone after he had been in the presence of God but in verse 13 we read that he put a veil over his face so the sons of Israel would not see what was fading away. But then in verse 14 we see the veil is taken away in Christ. Until it is, people go to churches built on the pattern of the Old Covenant but this is the day in which it is to be revealed how we are to truly walk with Christ. We have a Covenant based on better promises. The Covenant has changed. The veil can still be separating us from the Holy of Holies but through Christ we are able to enter. Paul saw it and entered as have many over the centuries but it is for the whole Church to enter at this end time.

Heb.6:14-20 speaks of the anchor to our soul. This is what God is looking for in our hearts. Not only by a promise but by an oath God swore on Himself that Abraham would receive what God had promised. God swears an oath by Himself as He can swear by nothing higher, (v.18). Even so, patient endurance is required (v.15). He swears by Himself to give us hope. God wants to know where our heart is on this. We need to have an anchor to your soul. We will not backslide when we have this hope - this revelation - by which we can enter the Father's presence which is beyond the veil. We will have to leave doubt and fear to enter behind the veil. Those who know that this promise is made with an oath will remain steadfast because of this hope.

Some years ago we heard of the vision Tommy Hicks received, a vision of the end time Church. **This vision is now to be fulfilled - for the giant which is the end time Church is now to stand up.**

This is for now - for the whole Church to enter the most Holy Place. Therefore come out and be separate and I will be a Father to you. (2Cor.6:17&18) Today, no matter how mature we are we know there is more. When we get into the Holy of Holies there is no more, only more of the same. By faith - in the Spirit - through Jesus, we can enter the Holiest place. He is the Way. In Eph.2:13&18 we read of this access in the spirit and by the Spirit to the Father. Don't underestimate the need for this to come as revelation - get an anchor to your soul.

How Can There Be Victory

We are more than conquerors through Christ but how can there be a victory without a battle? We will need to know this as tribulation comes and beyond this great tribulation. It is the method to separate good and evil. There has to be something in our life to take us into the Holy of Holies, this place the whole Church has to enter. Something has changed. Tribulation is actually good news because it heralds the end of the age. This world is going to sink just as the Titanic sank. But God has made a way - He is the Ark - the lifeboat. This world is not going to be fixed. Those who try to change world governments are wasting their time. Everything is not fixable. There will be wars, rumours of wars, earthquakes, famines etc. because Jesus said so. What is coming will cause a great falling away. Then for 3 1/2 years will come the time for the Church and the world which is the great tribulation. Then the Church will be taken away before the coming wrath of God.

Eph.1:17&18 speaks of a revelation we need. What is it we might 'see' that causes us to be different - what is this revelation? What is the exceeding greatness of His power towards us who believe? We've been to the cross - you've been to Pentecost - but we need to go on to His ascension. Everything is under Jesus feet and it happened when He ascended. Jesus is in the heavenlies (Eph.2:4) and we were raised in Him and we are raised up *together* with Him. That is our position. The dead were raised because of this revelation!

Sadly men are often remembered and not the message. There are responsibilities to being in the Holy of Holies. Never to exalt ourselves - to be seen by men. This is one condition.

We know in all reality the whole Church (corporate) has not walked in this, just the few in times past. But there is an end time Church coming that God has appointed for this coming time and that Church will be victorious. When you have the revelation of this you'll be ready for a ministry that will rock the world.

This same power Jesus gave to the 70 He sent out. (Luke 10) They came back saying that even the demons are subject to us in Your Name. There is a Church coming under whose feet are the gates of hell who *know* that greater is He who is in them than he who is in the world, (1 John 4:4) and who *know* they can do all things through Christ who strengthens them (Phil.4:13). This has to be fulfilled.

And it is the abundance of grace that takes us into this place where we reign in life (Rom. 5:17). Is the Church reigning in life? 2 Cor.4:14 says that God always leads us in triumph. It has to happen. Rom.8:37 says we are to be more than conquerors - crushing Satan beneath our feet. Paul knew there would be from this message a people coming - a privileged people who are the mystery of Christ, demonstrating the exceeding greatness of His power (Eph.1:19) who have grown up to the Head, even Christ (Eph.4:15).

But know there are 'doers' and there are 'talkers' - and take care of those who complain but do not 'do'. Eph.4:15&16 - When each member does it's part it causes the growth of the body; a body saying, "Thy will be done."

The whole body is joined to the Head but the body doesn't really know it. Beloved, it soon will!

The Holiest Place - the Holy of Holies

When we enter the Holy of Holies we can truly say our fellowship is with the Father and the Son.

Some years ago the Lord gave me a vision of the separation of the Harlot and the Bride - that it had begun. I saw this separation. It wasn't a popular message. But revelation brings responsibility. God often overlooks ignorance. Paul didn't try to persuade men but each heart had to decide.

There is incredible power in the Name of the Lord our God. Pharaoh's name carried the authority just as Caesar's did. The authority of the Name of Jesus is when we are in that place where we know the will of God. We need to learn to exalt the Name of God. We need to move to a higher place. The Father knows what we will be doing. I only know what I have *been* doing. Pray, "I exalt the Name of the Lord my God over that situation." But prayer is not a switch. It builds up pressure and then eventually we resist the Devil and he will flee from us. Men need always to pray and not lose heart.

If you think the Lord is not coming back soon look at the average age of those who He is preparing.

Psalm 91 is speaking of the end of this age. Coming is the a new time when the whole Church will move into the secret place of the Most High but individual humility is required to find the secret place. We must never exalt ourselves. Men need to always pray and not lose heart (Phil.2:9). The end-time spirit that is coming upon the world wants us to exalt ourselves. There is a spirit in this world preparing the world for the man of sin who will exalt himself above God. The world is being prepared. See what is happening. God's people need to stay hidden.

Exalt the Name of the Lord your God. Ps.8:1&9 - "How majestic is Your Name in all the earth." Let us declare this. In Ps.34:3 - "Let us exalt His Name together," then we see in verse 4 that all fear is gone. Ps.99:3 - "Let them praise Thy great and awesome Name."

In Is.14:12&13 we read how Satan exalted himself above God but in verse 15 God will put him in the pit. In 2 Thess.2:4 we see that the man of sin exalts himself also. Today everyone is exalting themselves. But man is meant to exalt the Lord his God bringing every thought captive unto Christ (2Cor.10:3-5).

In Acts 3:6 we see that it was in the Name of Jesus that the lame man was healed. When Peter was asked by what power he had been healed (Acts 4:7) he replied that it was by the Name of Jesus Christ that he stood before them in good health, (Acts 4:10).

Today we have declared something in the heavens. I have heard it clear - **this is the time!** Go into all the world in Jesus Name. And let us stay hidden behind the Lord knowing there will be a cost.
